## INNER ALCHEMIST LEADERSHIP PROGRAM | EXECUTIVE EDUCATION

### Master your inner universe

Based on actionable research in neuro-endocrinology, psychology, brain neuroscience and cognitive behavioural therapy, Inner Alchemist program provides a proven methodology for executives - single or in a polar couple - to accelerate leadership development through superior intimate experiences that are based on love, perfect erotic continence, transfiguration, dignity and integration. This program is about love, effective leadership and non-degrading sex. It brings a clear understanding of the *why*, *what* and *how* of inner alchemy leadership. A model to reinvent fundamentally your life.

### HOW YOU WILL DEVELOP

#### Inner Reengineering Through Superior Intimate Experiences

Learn how to create a winning inner universe to perform at your optimum and discover how your private intimate experiences are immense opportunities for multiple and unexpected leadership benefits. Understand how to improve your intimacy, arousal, orgasm, happiness, satisfaction, fulfilment and overall well-being.

#### Understanding Inner Energy

Learn how to access an immense reservoir of inner energy and discover the impact it could have on your professional performance as well as your polar couple relationship.

#### Self-Awareness and Work-Life Integration

Learn practical techniques to develop self-awareness, self-control and mental focus that will impact your day-to-day behaviours, activities and decisions to sustain your leadership performance. Understand the "How's" of a "Whole Persona" practice and a real work-life integration.

#### Erotic Strategy

Gain insights and practical techniques on approaching your private intimate experiences in your polar couple relationship for happiness, vitality, health, inner power, enthusiasm, creativity, intuition and enhance your ability to lead with laser focus towards transformation. Improve the quality of life (QoL) in an unprecedented way.

#### Participants

The program is intended for leaders who want to learn an innovative methodology on how to use intimate experiences in their polar couple to boost their leadership capacity. It is relevant for those who are motivated, courageous and interested to refresh their polar couple relationship. Actionable learning about your own inner energy, superior intimate behaviours, emotional and mental processes, how to act upon and establish the context for accelerated leadership development.

#### Takeaways

Through lectures, discussions and Q&A sessions Inner Alchemist Program will empower you to:

- Raise your psychological capital, inner energy and self-awareness;
- Harness the latest neuroscience research on intelligent eroticism based on love, integration, perfect erotic continence, transfiguration and dignity to embed sustainable behaviour change;
- Build your happiness, vitality, inner harmony and balance, creativity, will power, charisma, intuition and transcendence power (helicopter view);
- Discover how to better manage your inner resources for effective leadership;
- Learn a practical framework that will reinvent your couple relationship and improve your leadership abilities.

### Program Details

Recent neuro-endocrinology research is leading us to a greater understanding of how to improve couple relationships and leadership capacity. Those who grasp the meaning and implications of this cutting edge work will be better equipped to reinvent their intimate life and to improve their leadership effectiveness. This program provides hands-on tools, concepts and techniques that were validated in practice by thousands of practitioners.

#### Issues we will examine include:

- Key principles of Total Resonance, Holography and Polarity in Leadership Development;
- 4 inner steps grid, neurophysiology of superior intimate experiences and embodied leadership;
- Mind-Breath-Erotic Energy Triangle: metacognition and benefits for effective leadership and harmonious couple relationship;
- Inner re-engineering processes - practical tools towards vitality, creativity, happiness, self-awareness, self-control, emotional intelligence, empathy, intuition, mental focus and complex problem solving.
- Practical techniques to solve typical erotic problems: erectile dysfunction, low desire, body image and reduced libido for both men and women.

The program has a multi-dimensional impact and is based on solid science, relevant and applied research and offers a tested methodology for erotic rehabilitation and leadership development. What you learn here you can immediately put in practice at home when you have your private intimate experiences in a superior manner. No jargon, no trivia, no physical interactions, no offending language, no uncomfortable moments - on the contrary, everything is in a business format, settings and language with a researched based approach grounded in science and practice.
